S3. Self-Citation Restriction Policy The self-citation refers to when an author refers to the previous works written by him/her alone or in co-authorship and cites them. Self-cites are used to compare current results of the research with earlier findings when continuing to study the same subject. It seems that the only reasonable	There is no self-citation in the paper

<p>solution for the issues of self-plagiarism, research integrity, and originality is to limit the amount of self-citations. JAFEB Self-Citation Restriction Policy regulates that the self-citation level should not exceed 10% for authors and 20% for co-authors together and 15% for JAFEB. Please rewrite and remove any outnumbered self-citations, if any corrections required in your case. If the reference checker (software) finds that the author(s) break the rules, then the manuscript will be automatically rejected by the Desk Editor without further review.</p>	
<p>1. JAFEB Engagement: If the literature current, relevant, and broad enough to set the context for the research, you should engage with the style and the discussions published in JAFEB. The work in the journal evolved considerably as you can see on JAFEB Archive. To fully contribute to the subject, you will need to engage with JAFEB. To do so: you should include at least 3 - 5 recent and relevant references in JAFEB. Your paper should reflect the cutting edge thinking of relevant literature in JAFEB. If the manuscript does not include at least THREE citations/references from JAFEB, the manuscript would be stopped/rejected by the Desk Editor without further review.</p>	<p>The paper has included 4 recent and relevant references in JAFEB</p>
<p>2. Abstract Abstract must adhere to the following: A concise and factual abstract is required. Please rewrite abstract to reach about 200 words in total for this purpose. The abstract should describe the following items in order of: 1) the purpose of the research (for example. The study investigates/examines..., but NO research background statements/problem statements at the beginning), 2) data, materials, and methodology (for example. This study employs samples/survey data/time series data of....), 3) the results (for example, The results show/reveal that), and 4) major findings (for example, The findings of this study suggest that ..., but NO suggestions/recommendations/implications) in an unstructured manner. An abstract is often presented separately from the article, so it must be able to stand alone. Please provide abstract to reach about 200 (197 ~ 203) words in total. If the word counter (software) finds more than 5% deviation, the manuscript will be rejected by the Desk Editor without further review.</p>	<p>The abstract of the paper reaches 199 words in total</p>
<p>3. Keywords: Please provide Maximum of 5 keywords, separated by comma (,) It is crucial to the appropriate indexing of the papers are to be given. e.g., Financial Economics, Emerging Markets, Technology Acceptance Model</p>	<p>The paper provides 3 keywords</p>
<p>4. JEL Classification Code: Please provide 3-5 JEL classification codes, separated by comma (,) These codes will be used for indexing purposes.</p>	<p>The paper provides 3 Jel classification codes</p>
<p>5. No Footnotes, but Endnotes Acceptable: JAFEB does not accept Footnotes due to technical problems of online XML publication. Please convert all footnotes to endnotes, otherwise please incorporate all footnotes into text at its best.</p>	<p>There is no footnote in the paper</p>

<p>6. Word Count: While no maximum length for manuscripts is prescribed, authors are encouraged to write concisely and clearly. As a guide, short communications should be between 3000 – 5000 words and regular articles should be between 5,000 - 7,000 words in length. However, any of full papers should be NO longer than 10 pages in a final print and NO more than 8000 words in total, with all inclusive. If the word counter (software) finds more than 5% deviation, the manuscript would be stopped/rejected by the Desk Editor without further review.</p>	<p>The full paper reach 5211 words in total</p>
<p>7. Tables and Figures: JAFEB accepts Tables/Figures created by the author’s own work only. Number Tables/Figures consecutively in accordance with their appearance in the text. Tables must be adjustable. Avoid vertical rules. Extremely large tables that take more than one page print are NOT acceptable. Be sparing in the use of tables and ensure that the data presented in tables do not duplicate results described elsewhere in the article. A paper in JAFEB from now on may include a maximum of six (6) tables/figures/appendixes in total. In particular, JAFEB does not accept any figures/artworks borrowed from others (i.e. output of AMOS, charts and reports of Statistics Agency’s), if not created by the author’s own work. If the Desk Editor finds any outsizes, the manuscript will be stopped/rejected by the Desk Editor without further review.</p>	<p>The paper reaches 3 Tables in total</p>
<p>8. Citation and Reference Style Guides: Authors are expected to adhere to the guidelines of APA 6th or 7th edition (American Psychological Association). Please provide full information of publications complying with the APA citation and reference styles. Please ensure that every reference cited in the text is also present in the reference list (and vice versa). If the reference checker (software) finds more than THREE unmatched citations/references, then the manuscript will be automatically rejected by the Desk Editor without further review. [Important! Please translate all references in local languages (i.e. Vietnamese, Indonesian, Malay, Thai, Pakistani, Arabic, Russian, Ukrainian) into English (through Google translator or AI translators) according to APA style guide at its best. If any references are not translated to English, then the manuscript will be automatically rejected by the Desk Editor without further review. JAFEB publishes all articles in English only]. In particular, all citations in the text should refer to: Two authors: list all authors' surname (family names) with Lee and Nguyen (2020) in the text or (Lee & Nguyen, 2020) in parentheses separating the two authors and the year of publication. Journals: Lee, J. W., & Nguyen, A. H. (2020). Citations and reference style guides of APA 6th edition and Asian names. <i>Journal of Asian Finance, Economics and Business</i>, 7(1), 2-4. https://doi.org/10.13106/jafeb.2020.vol7.no1.2 Book (ISBN): Greenberg, P.
